

We are looking for a candidate

Paver – Roadworks and Outdoor Development

Who are we

MKW Interim is a Belgian temporary employment company established in Poland, specialized in providing qualified workers in Belgium and across Europe.

Our objective is to offer reliable, fast and legally compliant solutions, while ensuring full support for both workers and companies.

Job Description

As a paver, you will work on roadworks and outdoor development sites. You will be responsible for laying paving stones, slabs and surfaces, while respecting plans and safety instructions.

Responsibilities

- Ground preparation (earthworks, leveling)
- Laying paving stones, slabs and curbs
- Construction of foundations and support layers
- Following plans and alignments
- Use of appropriate tools and machinery
- Compliance with on-site safety regulations

Required Profile

- Experience in roadworks or construction (an advantage)
- Good physical condition
- Ability to work outdoors
- Precision and attention to detail
- Team spirit
- Motivation and professionalism

Conditions

- Assignments in Belgium
- Work on construction sites
- Supervision provided by MKW Interim

What We Offer

- A structured working environment
- Assignments suited to your profile
- Personalized support
- Valuable professional experience
