

We are looking for a candidate

Body Repair Technician – Vehicle Body Repair Specialist

Who are we

MKW Interim is a Belgian temporary employment company established in Poland, specialized in providing qualified workers in Belgium and across Europe.

Our objective is to offer reliable, fast and legally compliant solutions, while ensuring full support for both workers and companies.

Job Description

As a body repair technician, you are responsible for repairing, restoring and finishing damaged vehicles. You work in a workshop while respecting quality and safety standards.

Responsibilities

- Repair and replacement of bodywork components
- Straightening and reshaping structures
- Surface preparation before painting
- Carrying out finishing works
- Quality control of interventions
- Compliance with safety instructions and internal procedures

Required Profile

- Proven experience in bodywork repair
- Good command of repair techniques
- Precision, rigor and attention to detail
- Ability to work independently and in a team
- Motivation and professionalism

Conditions

- Assignments in Belgium
- Workshop-based work
- Supervision and follow-up provided by MKW Interim
- Compliance with European legislation (A1, posting, etc.)

What We Offer

- Safe and compliant working conditions
- Collaboration with recognized companies
- Personalized follow-up
