

We are looking for a candidate

Infrastructure Works – Roadworks and Construction

Who are we

MKW Interim is a Belgian temporary employment company established in Poland, specialized in providing qualified workers in Belgium and across Europe.

Our objective is to offer reliable, fast and legally compliant solutions, while ensuring full support for both workers and companies.

Job Description

In the infrastructure sector, you will work on various projects related to roadworks, earthworks, construction and outdoor development. You actively participate in the work while respecting safety instructions and technical requirements on site.

Responsibilities

- Participation in roadworks and infrastructure projects
- Preparation and securing of construction sites
- Use of appropriate tools and machinery
- Earthmoving and handling works
- Compliance with plans and technical instructions
- Strict respect of safety standards

Required Profile

- Experience in construction or public works (an asset)
- Good physical condition
- Ability to work in a team
- Motivation and professionalism
- Sense of responsibility
- Compliance with safety instructions

Conditions

- Work on construction sites
- Assignments in Belgium
- Supervision provided by MKW Interim

What We Offer

- A structured working environment
- Varied assignments
- Personalized support
- Valuable professional experience
